Life Skills Courses

We have a range of part-time courses in Art, Dance, Gardening, Craft and Pottery to help adults with learning difficulties develop life skills and learn new practical skills. Classes can be specially designed for group needs and we can offer courses at our main site or in residential and day care settings.

For more information, please contact Sue Baker on 01538 398 866 or 07866 705 582.

Formal First Steps

Want to get back into study but don't have any formal qualifications?

Our First Steps courses are designed to build your confidence to enable you to return to study or get your education on the right path – both of which will help you improve your job prospects for the future.

These short courses are offered in a variety of subjects such as Study Skills, Hair & Beauty, IT, Education, Care and Counselling.

For more information contact Sue Baker on 01538 398 866 or 07866 705 582.

Essential skills (Numeracy or Literacy Levels 1 & 2)

Interested in improving your English or Maths skills?

Our Essential Skills courses are designed to help you brush up on basic numeracy or literacy skills, perhaps with a view to updating your skills, changing jobs, applying for further courses or progressing in your career. Workshops take place weekly throughout the academic year and people can join at any time.

Learning makes the best present!

Why not treat a loved one to a Leek College Gift Voucher that they can use towards one of our Work Skills or Learning for Leisure courses? Courses take place throughout the year at the College and venues across the Staffordshire Moorlands and Stoke-on-Trent!
